

## **SABSA Workshop A3-11**

Requirements to Solutions Traceability

## **Task One – (Topical Focus Groups)**

### **Demonstrate Traceability**

Using the F-KOM case demonstrate one example of a populated traceability layer-map all the way from Enterprise Business Context to Solution Components and Management Activities.

## **Task Two – (Topical Focus Groups)**

### **Review Traceability Strategy**

Revisit the Conceptual Traceability Strategy you outlined in Workshop A3-6 in light of all of the more detailed work you have performed since then.

Create a presentation to highlight your recommended approach to traceability including the major issues and your strategy for resolving them.

## **Task Three – (Topical Focus Groups)**

### **Information Sharing**

Each team is encouraged to share the results of their analysis with the rest of the group so that all participants benefit from the exchange of ideas and issues between topic areas. Time-permitting, the course facilitator will ask for presentations to be made.
